Adverting to the above, I have the honor to suggest the necessity, for the entertainment of a gearman as such a hand is absolutely needed for the satisfactory handling of the apparatus.

The man named Jowan Singh an inhabitant of Arboor may be

transferred to Athers and appointed on a Salary of Rs 5/- per mensem as he has been manipulating the Gearing previously for some time in the Department. Further begs to add that it would facilitate matters if the Gearmen is placed under the orders of the Sub-Divisional Officer.
